

2014 Patient Advocacy Summit Exhibit Opportunities

The *Patient Advocacy Summit* (PAS) brings the rare disease patient advocacy community together to become educated and informed, providing a platform for networking and shared learning's. The PAS is a two-day event with an agenda that includes Support Sessions, Science Briefs, Legislation 101, Drug Development and Tactical Follow-On Sessions to the panels. The PAS will be Webcast Live to additional advocates unable to attend in person. Our 2014 event will host Sponsor Exhibits On-site at the event.
