

Here are some questions guests on RARE podcasts are frequently asked. (And you might want to prepare an answer for.)

- » **What advice do you have for someone newly diagnosed with <your condition>?**
- » **What gives you hope?**
- » **If you could dream BIG and create something that would greatly benefit the disability community, what would that be?**
- » **What do you wish more people understood about your life with rare disease?**
- » **What do you wish your younger self knew sooner?**
- » **Is there a foundation or organization for your disease for more information?**
- » **Is there anything I should have asked you?**
